Aeon's online market "Green Beans"

Service Area Expansion

Green Beans

by AEON

Aeon Next Co., Ltd. (Head office: Mihama-ku, Chiba; President: Bharat Rupani) launched full-scale operations of its "Green Beans" online market business on Monday, July 10, 2023, using a Customer Fulfillment Center (hereinafter "CFC") equipped with cutting-edge AI and robotics functions as its distribution center. The company's online market business, "Green Beans" is now in full-scale operation.

Green Beans is an online market where a wide selection of fresh groceries and daily necessities can be purchased comfortably anytime, anywhere, and delivered to the customer's doorstep when they want it. The company's state-of-the-art AI and robotic operations and logistics, personalized and comfortable user interface, and high freshness control through a thorough cold chain, will deliver an unprecedented customer experience.

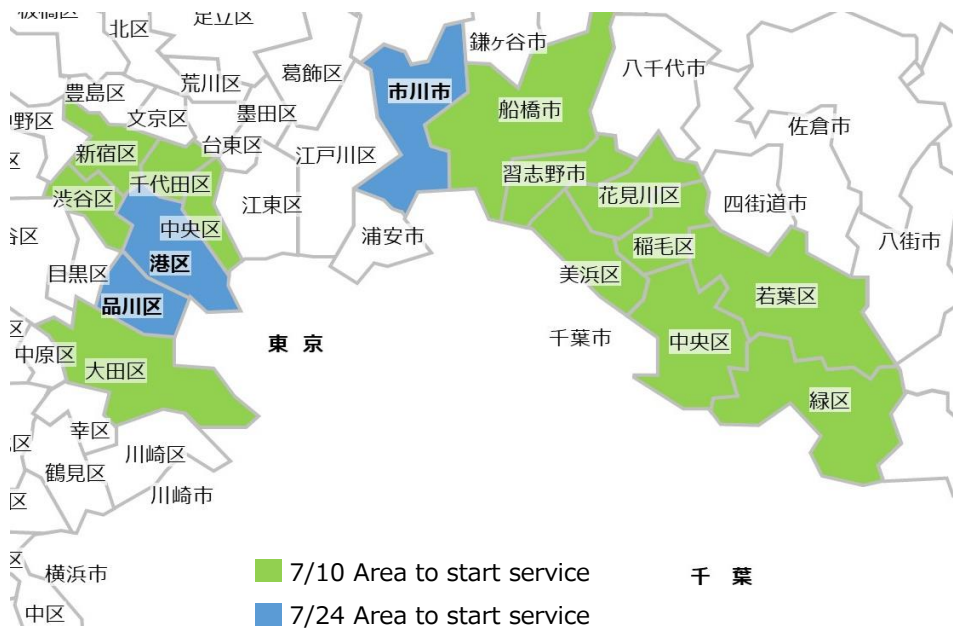

The service area will be expanded today, July 24, to include Shinagawa and Minato Wards in Tokyo, and Ichikawa City, Chiba Prefecture.

The service area will be continuously expanded in a sequence, responding to customer feedback and needs, aiming to provide services that satisfy even more customers.
