Dish name Details	Refreshing! Fried pork slices and eggplant with ponzu sauce A refreshing side dish of eggplant and pork with ponzu sauce. Steaming thickly sliced eggplant and pork on top of each other for tender, moist and tasty result even with less oil.	
Dish name Details	Komatsuna and crab cake with Chinese dressing A simple side dish that can be made with ingredients that are easy to prepare. The sweet and sour flavor is accented with sesame oil.	
Dish name Details	Fried pork and green pepper with ketchup Stir-fried pork, green bell pepper and onion with ketchup-based flavor. The sweet, Neapolitan-like flavor is a favorite of children.	
Dish name Details	Superb! Pork kimchi fried rice! Fried rice with pork and kimchi is a nutritious dish that can be prepared quickly even when you are busy. The trick to make the smooth rice is to chop mix the rice after combining it with the egg. Additional kimchi is also recommended.	

Dish name	Fried shrimp and broccoli with garlic butter	
Details	Shrimp and broccoli are combined with garlic butter for a quick finish. A delicious dish with the flavor of shrimp, butter and garlic!	
Dish name	Dry curry with minced meat and green pepper with thickened egg	
Details	Dry curry with chopped vegetables and ground meat is a favorite of both adults and children. Please try it with slow-boiled onsen eggs.	
Dish name	Grilled pork with scallion and salt sauce	
Details	Pork for ginger grill ith scallion and salt sauce. Chopped green onions and ginger are mixed with sesame oil-based flavors and quickly grilled. Good for lunch because it tastes good even when cold! It is also delicious as a bowl of rice.	
Dish name	Beef Stew	
Details	Beef stew using fine sliced beef that does not need to be simmered for a long time! The carrots and broccoli add brightness and color to the dish. You can also enjoy the texture.	
Dish name	Tender! Stir-fried pork and broccoli with garlic and mayonnaize	
Details	A quick stir-fry with only two ingredients. The flavor of the pork soaks into the broccoli, giving it a deliciously tender texture.	
Dish name	Poki bowl with tuna and avocado [easy Hawaiian style with sesame oil and dashi flavor]	
Details	Poki bowl with avocado and tuna, finished with kelp flavored soy sauce and full of umami. The combination is rich and delicious and a perfect match.	

*The "Top 10 Most Popular Recipes" are based on the number of times a recipe is clicked on from the Green Beans website.

(Data period: from July 10, 2023, the grand opening, to December 31, 2023. Some recipes, such as seasonal ones, were excluded)
